

Preparing for 'just in case' and having safe bicycle trip

Bicycle liability insurance is becoming mandatory

While the number of people who use bicycle for commute or leisure is increasing, the problem is the increasing trouble like traffic accident. In order to solve this problem, many municipalities recommend bikers to have bicycle liability insurance. For person under age of 20, they recommend his/her parents or guardians to join on his/her behalf. BiSPA provides road service with insurance, so you can make safe riding experience.

Why don't you prepare for case of trouble with "BiSPA for Personal" ?
